Dear Clark:

I am writing first of all to enclose the lineup.

Next, will you please help me if you can. I have written C Posey three times, and wired him the other day, to ask them where the men will go when they arrive in Buffalo Saturday, and Springfield Ohio Tuesday. In both cases they will arrive much before game time and they should be able to go to their rooms. In Buffalo they get there early in the day, as they have to leave here 11.50 at night. I don't even know who the promoter is, although I think it is Fischer in Buffalo. The men who are going to Buffalo leave here Friday night. If you can contact him please have him phone me and tell me where to send the men. I will appreciate this very much.

Will see you in Chicago.

Very Truly Yours
